

Paylocity Home: Your new self-service portal

Access to the resources you need now at your fingertips

New landing page features include:

Fresh New Look

Home features shortcuts to daily tasks and the information you need. You can even customize by adding your preferred Quick Actions.

Company Handbook in the AI Assistant

Now, you can use the AI Assistant to get quick answers to your questions about our company's policies, such as paid time off, reimbursable expenses, or benefits.

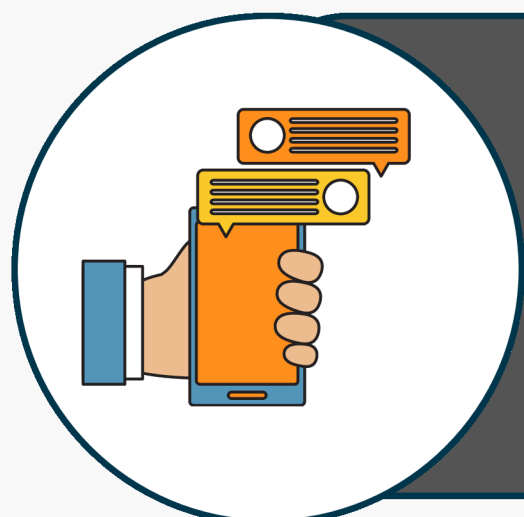

Person Record

View all your employee information in one place, including pay, time, emergency contacts, and more in the enhanced Person Record!

People Search

Leaders and administrators can now search for employees by specific attributes. Try it out with "Show me all employees who live in..."

Centralized Resources

Key company information is at your fingertips in one central location.
