## SURE START PREMIUM STARTING FLUID

Lucas Oil Sure Start Premium Starting Fluid is a 50% ether blend, more than the leading national brand. Helps start stubborn engines fast in cold weather, saves batteries and contains upper cylinder lubricant. Performs in temperatures as low as -65°F. For use in passenger cars, diesel engines, lawn mowers, chain saws, outboard motors and fractional horsepower engines.

### PART NUMBER AND SIZE:

11238 – Net Wt. 10.7 oz

### FEATURES AND BENEFITS:

- Helps start stubborn Gasoline or Diesel engines, FAST
- Excellent for use during winter on all powered equipment.
- Contains an upper cylinder lubricant to aid starting and prevent wear during dry starts.

### INSTRUCTIONS:

**For diesel engines with glow plugs or preheat manifolds:** Follow directions in owner's manual or use as directed by the engine manufacturer.

**For gasoline engines:**

- 1) Do not flood engine before using.
- 2) Spray with a short burst into carburetor or air intake. Do not overuse product.
- 3) Start engine in normal manner. Do not spray while starting.
- 4) If engine fails to start, repeat procedure up to three times.

### MAIN APPLICATIONS:

For use in all gasoline or diesel fueled equipment including cars, generators, lawn mowers, chain saws, outboard motors, and fractional horsepower engines. Starts stubborn cold motors, FAST.
