

LUCAS OIL PRODUCTS, INC. PRODUCT DATA SHEET

MULTI-PURPOSE PARTS CLEANER & DEGREASER

Lucas Oil Multi-Purpose Parts Cleaner & Degreaser is formulated with powerful solvents and advanced Polyetheramine (PEA) detergents to expertly clean and degrease all manner of automotive components - including throttle bodies, carburetors, chokes, brake calipers, rotors, air intake systems, and other unpainted metal parts and surfaces. It is a low VOC formula that is 50-state compliant. The supreme cleaning action of the PEA detergents helps to remove stubborn soils and carbon deposits from components exposed to heat and combustion gases. These potent detergents attack all debris and deposits, no matter how baked on, and lifts them without leaving any residue.

To remove oil, grease, dust, and other contaminants, spray liberally onto areas to be cleaned. Use in well-ventilated area and wear safety glasses. Protect rubber, painted surfaces, and plastic from overspray.

PART NUMBER AND SIZE:

11115 - 16 Ounce (Case of 12)

FEATURES AND BENEFITS:

- Formulated with advanced Polyetheramine (PEA) detergents to clean and degrease carburetors, chokes, brake calipers, rotors, air intakes, throttle bodies and unpainted metal parts.
- Removes any build-up that can cause loss of power, rough idle, high emissions, and hard starting.
- Helps remove unwanted deposits such as gum, varnish, oil, brake fluid, grease, dirt, and sludge.
- Cleans brakes for better performance and smoother operation.
- Fast drying
- Will not harm catalytic converters and oxygen sensors
- Does not contain CFC's or chlorinated solvents
- 50 state VOC compliance

MAIN APPLICATIONS:

Suitable for a wide range of cleaning and degreasing applications – including throttle bodies, induction systems, brake parts, etc.

Avoid painted surfaces and plastic parts.
